

Dear Bergstedter,

We are looking forward to have you back in Oxie and hope that you will get a nice weekend with us.

you will do the check-in at Oxie Bed and breakfast around 17:00, address: Käglingevägen 168 in Oxie.

At 19:00 do the evening start together with a Swedish tradition called fredagsmys.

Every family in Sweden has this special tradition on Fridays.

They eat special food and relax together. This time its your turn to see how fredagsmys works.

Probably you want fredagsmys every day in the week 😊

There will be some chess and quiz during the evening.

At Saturday you start the morning with breakfast at your hotel. We will meet up at the clubhouse around 09:00.

At 10:00 we will take the train to Malmö C and at 11:00 hire 2 boats for 3 hours. We need two captains to sail the boats. If you don't have, we have. From the boat you will see Malmö from very an inspiring and interesting view.

On the boat you will have Swedish FIKA. It's a holy moment for every swede and if there is no FIKA you are guaranteed to fail. On the boat you can try out different outfits, why not be a pirate on the boat or a Malmö FF supporter.

At Saturday evening around 17:00 we will arrange a really nice barbecue with different kind of meet and fish.

You will eat and drink like Swedish Wiking. There will be music and lots of fun.

Later at Saturday around 21:00 we will visit Törringelund. At Törringelund many famous singers from Skåne will play good music and around 300 - 400 people will visit this place. This is very nice place with good atmosphere.

Sunday morning you start the morning with breakfast at your hotel. We will meet up at the clubhouse around 10:00. Björn Ahlander the Swedish IM will hold a lesson in chess for about 3 hours.
